

REMARKS

The Examiner has rejected claim 2 as being indefinite. Applicant has amended claim 2 accordingly. Therefore claim 2 should now be allowable.

The Examiner has rejected claims 10, 11, 14, 15, 18, and 19 as being anticipated by Kittrell, 5,196,269 with evidence from Eichbauer, 5,922,441 for the reasons stated in the previous Office Action. In addition, the Examiner states that the limitation "forming a ream wrapper" bears no patentable weight since there is no structure of ream wrapper specified.

Applicant has amended claims 10, 14 and 18 to add a ream of paper and that the ream of paper is wrapped by the ream wrapper.

Neither Kittrell nor Eichbauer teach wrapping a ream of paper. Kittrell relates to a product which forms packages or cartons. Eichbauer relates to packaging of palletized goods. Therefore, the above claims are not anticipated or obvious over Kittrell with Eichbauer.

Applicant believes the application is now in condition for allowance.
